Breaking the Busy Trap: 5 Steps to Real Value for Engineering Leaders.

August 7, 2025 | 1:00 pm EDT

Engineering teams are running full speed — sprinting, releasing, updating — but somehow, the business impact isn't showing up. Sound familiar? The problem isn't effort. It's misalignment. In this no-fluff webinar, we'll show you how to break that cycle.

Frictionless Time Tracking.

Reclaim control. Accelerate delivery. Traditional time tracking fails PMO executives, leading to wasted effort and missed opportunities. Our Frictionless Time Tracking eBook reveals how to automatically capture effort from the tools your teams already use. Gain real-time visibility, automate compliance, get financial clarity by connecting effort to budget, and empower teams by eliminating manual timesheets. Stop chasing data. Start driving outcomes.
